

Procedure for In-Lab Custom Shades at:

Before Your Visit Please:

- Call us at 520-722-4484 to make an appointment: DATE: _____ TIME: _____
- Make sure your teeth are hydrated by waiting at least 6 hours after your dental appointment
- Wait at least 4 days after final bleaching treatment to allow tooth color to “settle”
- Brush your teeth so as not to add any external color variations

Thanks,

The Dental Pros
