Registration/Cancellation/CE Credits
To provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course and registration is accepted on a first-come, first-served basis. Full tuition payment must accompany all registration forms. Registrants unable to attend their course can obtain a refund (less a \$50 administration fee) by notifying Biomet 3i in writing, no later than 14 days prior to the course date. Cancellations past that date will be subject to an additional penalty. Biomet 3i reserves the right to cancel a course no later than 14 days prior to the course date. Continuing Education Credits awarded in the U.S. for participation in the CE activity may not apply towards license renewal in all states. It is the responsibility of each participant to verify the requirements of his/her state licensing board.

Biomet 3i is an **ADAC-E-R-P** recognized provider

Synergy Training Program® A Mini Residency in Restorative Implant Dentistry

Program Host:

Dr. Lisa Lear, D.D.S., M.S.D.
Diplomate of the American Board of Periodontology

And

Synergy Training Program®

A Mini Residency in Restorative Implant Dentistry

Successful implant dentistry is the result of a team effort. The best outcome is realized when each member of an implant team coordinates his/her efforts with other members. This approach is being applied to the practice of implant dentistry through the Biomet 3i SYNERGY TRAINING PROGRAM® (STP®).

Please join us for this innovative educational program where you will have the opportunity to train and practice together.

Dear Colleagues

I am so excited to begin this informative and interactive program!! I look forward to seeing you all at the first session!

Sincerely yours,
Lisa

The Program Includes:

- Five (5) sessions
